

Independent Auditor's Report

To The Members of Pearl Global Kaushal Vikas Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Pearl Global Kaushal Vikas Limited** ("the Company"), which comprise the balance sheet as at March 31, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the Loss (financial performance including comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Material Uncertainty Related to Going Concern

We draw attention to Note 2 in the financial statements, which indicates that the Company incurred a net loss of ₹ 0.27 lakh for the year ended March 31, 2023, and of that date the company current liability exceeded its total assets by ₹ 0.59 lakh. As stated in the said note, these events or conditions indicate that a material uncertainty exists that may cast doubt on the Company's ability to continue as a going concern. However, in view of future business opportunities and support from the Holding Company, the management is of the view that going concern basis of accounting is appropriate for preparation of the financial statements. Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the board's report, but does not include the financial statements and our auditor's report thereon. The board's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the board's report, if, we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the applicable laws and regulations.

Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Change in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c) Based on such audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) & (ii) above, contain any material misstatement.
- v. No dividend has been declared and paid by the Company during the year which is in compliance with section 123 of the Act
3. With respect to the matter to be included in the Auditors' report under Section 197(16):
In our opinion and according to the information and explanations given to us, since no remuneration has been paid by the Company to its directors during the year, therefore the reporting under the section 197 of the Act is not applicable to the Company. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.

Annexure 'A' To the Independent Auditors' Report of even date on the financial statements of Pearl Global Kaushal Vikas Limited

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31 March 2023, we report that:

- i) In respect of Property, plant, equipment and Intangible Assets
 - a) The Company does not have any property plant and equipment's therefore the provision of paragraph 3(i) (a) to (d) of the of the Companies (Auditor's Report) Order, 2020 are not applicable to the Company.
 - e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and rules made thereunder. Accordingly, the provisions of clause 3(i)(e) of the Order are not applicable.
- ii) The Company does not hold any inventory. Hence provision paragraph 3(ii) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.
- iii) According to the information and explanation given to us, the Company had not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans secured or unsecured, to companies, firms secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the provisions of paragraph 3(iii) of the Companies (Auditor's Report) Order, 2020 are not applicable to the Company.
- iv) According to the information and explanation given to us, the Company has no loans, investments, guarantees, and security covered under the provisions of section 185 and 186 of the Companies Act, 2013. Therefore, the provisions of paragraph 3(iv) of the Companies (Auditor's Report) Order, 2020 are not applicable to the Company.
- v) In our opinion and according to the information and explanation given to us, the Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provisions of Section 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed thereunder.
- vi) On the basis of available information and explanation provided to us, the Central Government has not prescribed maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013 read with Companies (Cost Records and Audit) Amendment Rules, 2016 dated July 14, 2016 to the current operations carried out by the Company. Accordingly, the provisions of paragraph 3(vi) of the Companies (Auditor's Report) Order, 2020 are not applicable to the Company.
- vii) In respect to statutory dues:
 - a) The Company is generally regular in depositing undisputed statutory dues including, Income Tax, Goods and Service Tax (GST), Cess and any other material statutory dues applicable to it with the appropriate authorities. The provisions of Employees' State Insurance, Provident Fund, duty of Customs and duty of Excise are not applicable to the Company. There were no undisputed amounts payable in respect of, Income Tax, GST, Cess and any other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.
 - b) According to the records of the Company examined by us and the information and explanations given to us, there were no dues of Statutory Liability which have not been deposited on account of any dispute.
- viii) According to the information and explanations given to us and the records examined by us, there are no unrecorded transactions that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Accordingly, the provisions of clause 3(viii) of the Order are not applicable.

- ix) In respect of loans or other borrowings taken by the Company, according to the information and explanations given to us and audit procedures performed by us:
- a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - c) The Company has not taken any term loan during the year and there is no unutilized term loans at the beginning of the year and hence, reporting under clause 3 (ix) (c) of the order is not applicable.
 - d) No funds raised on short-term basis have been used for long-term purposes by the Company.
 - e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Accordingly, the provisions of clause 3(ix) (e) of the Order are not applicable.
 - f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, associate or joint ventures. Accordingly, the provisions of clause 3(ix) (f) of the Order are not applicable.
- x) (a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of paragraph 3(x) of the Order are not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the Year. Accordingly, the provisions of paragraph 3(x) of the Order are not applicable to the Company
- xi)
- a) As per the information and explanations given to us on our enquiries on this behalf, no fraud of material significance on or by the Company has been noticed or reported during the year.
 - b) In our opinion and according to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed during the year and upto the date of this report in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- xii) The Company is not a Nidhi Company; accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii) During the course of our examination of the books and records of the Company, no transactions have been entered with the related parties that are covered under section 188 of Companies Act, 2013. However, necessary details have been disclosed in the financial statements as required by the applicable accounting standards. Further the provision of section 177 of the Act is not applicable to the Company.
- xiv) In our opinion and based on our examination, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of Section 138 of Companies Act 2013; accordingly, paragraph 3 (xiv) of the Order is not applicable.
- xv) According to the information and explanations given to us, in our opinion during the year, the Company has not entered into any non-cash transactions with the directors or persons connected with its directors and hence provision of section 192 of the Companies Act 2013 are not applicable to the company.
- xvi) a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, provisions of clause 3 (xvi) (a) to (c) of the order are not applicable.
- b) According to the information and explanations given to us, there are no core investment company (CIC) within the group (as defined in core investment companies (Reserve Bank) Direction, 2016). Accordingly, provision of clause 3(xvi)(d) of the order are not applicable.

xvii) According to the information and explanations given to us, the Company has incurred cash losses of ₹ 0.27 lakh in the current financial year and ₹ 0.42 lakh in the immediately preceding financial year.

xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly, provisions of clause 3 (xviii) of the Order are not applicable

xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and Management's plans and based on our examination of the evidence supporting the assumptions, It has come to our attention, which causes us to believe that material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

xx) The provision of section 135 of Companies Act are not applicable to the Company, accordingly the provision of clause (xx)(a) & (b) of the order are not applicable to the Company.

Annexure 'B' to the Independent Auditors' Report of even date on the financial statement of Pearl Global Kaushal Vikas Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Pearl Global Kaushal Vikas Limited ("the Company")** as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Pearl Global Kaushal Vikas Limited

Notes to the financial statements for the year ended March 31, 2023

Note 1: Corporate Information

Pearl Global Kaushal Vikas Limited is a company domiciled in India and was incorporated on June 18, 2014 under the provisions of the Companies Act, 2013. During the previous financial year, the company changed its name from Pixel Industries Limited to Pearl Global Kaushal Vikas Limited with ROC order dated 13th July, 2018. The Company is engaged in the business of providing training and development, skill development, as knowledge trainers and disseminators, project and training implementing agencies under various skill development schemes of authorities.

The financial statements are approved by Board of directors on May 15, 2023

Note 2: Basis of preparation and presentation

Statement of Compliance:

The Financial Statements are prepared on an accrual basis under historical cost Convention. These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Companies Act, 2013, as applicable.

The accounting policies are applied consistently to all the periods presented in the financial statements.

Basis of Preparation and presentation:

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below. All assets and liabilities have been classified as current or noncurrent according to the Company's operating cycle and other criteria set out in the Act.

The financial statements are presented in ₹ and all values are rounded to the nearest Lakh upto two decimal places except otherwise stated.

Going Concern Assumption:

The Company has incurred net loss of ₹ 0.27 lakh for the year ended March 31, 2023 and Companies current liabilities have exceeded its total assets by ₹ 0.59 lakh. The Company has full financial support from its holding company for exploring and implementing future business plans. In view of same, Management believes that it is appropriate to prepare these financial statements on going concern basis.

Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023 as below:

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its financial statements.

Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Note 3: Significant Accounting Policies

a) Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

Judgements:

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

Pearl Global Kaushal Vikas Limited

Notes to the financial statements for the year ended March 31, 2023

Income taxes

The Company is subject to income tax laws as applicable in India. Significant judgement is required in determining provision for income taxes. There are many transactions and calculations for which the ultimate tax determination is uncertain during the ordinary course of business. The Company recognises liabilities for anticipated tax issues based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

b) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

Assets:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Liabilities:

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle: The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

c) Revenue Recognition

Revenue from contract with customer

Revenue from contract with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the company expects to be entitled in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding the amount collected on behalf of third parties (for example, taxes and duties collected on behalf of government) and net of returns & discounts. The company has concluded that it is acting as principal in its revenue arrangements. However, the Company has not accounted for Revenue from operations for the year ended March 31, 2023.

d) Financial instruments

A financial instrument is a contract that gives rise to a financial asset for one entity and a financial liability or equity instrument for another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

(i) Financial assets

Initial recognition and measurement

A financial asset is initially recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Financial Asset carried at amortised cost
- Financial Asset at fair value through other comprehensive income (FVTOCI)
- Financial Asset at fair value through profit and loss (FVTPL)

Financial asset carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial asset at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial asset at fair value through profit and loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Pearl Global Kaushal Vikas Limited

Notes to the financial statements for the year ended March 31, 2023

De-recognition

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when the contractual rights to receive cash flows from the asset has expired, or the Company has transferred its contractual rights to receive cash flows from the financial asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

(ii) Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss. The Company's financial liabilities includes trade payables only.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at amortised cost
- Financial liabilities at fair value through profit and loss (FVTPL)

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

(iii) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

e) Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

f) Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than deferred tax assets, are reviewed at the end of each reporting period to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. The recoverable amount of an asset or cash-generating unit ('CGU') is the greater of its value in use or its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets ('CGU').

An impairment loss is recognized, if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount and is recognised in statement of profit and loss. Impairment losses recognised in prior periods are assessed at end of each reporting period for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

g) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Pearl Global Kaushal Vikas Limited

Notes to the financial statements for the year ended March 31, 2023

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

h) **Taxes**

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income (OCI) or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Current tax assets are offset against current tax liabilities if, and only if, a legally enforceable right exists to set off the recognised amounts and there is an intention either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred tax

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Tax relating to items recognized directly in equity/other comprehensive income is recognized in respective head and not in the statement of profit & loss.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority. The carrying amount of deferred tax assets is reviewed at each balance sheet date and is adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

i) **Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash balance on hand, cash balance at banks and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management. However, there are no such separate disclosure in the financial statements and the Cash and cash equivalent in the Financial Statements are same as for the Statement of Cash Flows.

j) **Earnings per share (EPS)**

Basic EPS amounts are calculated by dividing the profit for the year attributable to the shareholders of the Company by the weighted average number of equity shares outstanding as at the end of reporting period.

Diluted EPS amounts are calculated by dividing the profit attributable to the shareholders of the Company by the weighted average number of equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

k) **Contingent liabilities and contingent assets**

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

l) **Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain.

The expense relating to a provision is presented in the statement of profit and loss, net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. The unwinding of discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

m) **Statement of Cash Flows**

Cash flows are reported using the indirect method, where by profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows.

n) **Employee's Benefits**

There is no Employee Benefit cost incurred for the Year ended March 31, 2023 & March 31, 2022.

Pearl Global Kaushal Vikas Limited

Notes to the financial statements for the year ended March 31, 2023

(Amount in ₹ 'Lakh' unless otherwise stated)

Note 11: Capital Management

The primary objective of the Company's capital management is to maximise the shareholder value and also ensure ability to continue as a going concern. In order to maintain the optimal balance of Debt and Capital, the Company manages its capital structure and makes adjustments to it in the light of changes in economic conditions and the requirements of the financial covenants.

Though Company has the group policy of reviewing Capital Management through analysis of Capital Gearing Ratio, which is net debt divided by total capital plus net debt, however since has no debt as at March 31, 2023, no such review is required.

	As March 31, 2023	At March 31, 2022
Borrowings	-	-
Less: Cash and Bank Balances	0.66	0.10
Adjusted Net Debt (A)	(0.66)	(0.10)
Equity share capital	5.00	5.00
Other equity	(5.59)	(5.32)
Total Capital (B)	(0.59)	(0.32)
Net Debt and Capital (C= A+B)	(1.25)	(0.42)
Gearing ratio	0.53	0.24

a) No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2023 and March 31, 2022.

b) For the purpose of capital management, capital includes issued equity capital and all other reserves attributable to the equity holders of the Company.

Note 12: Fair Value Measurements

a) Financial Instruments by category

All other financial assets and liabilities viz. trade receivables, security deposits, cash and cash equivalents, other bank balances, interest receivable, other receivables, trade payables, employee related liabilities and borrowings, are measured at amortised cost.

b) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the standalone financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels of in the fair value hierarchy:

As at March 31, 2023: Particulars	Carrying amount			Fair value			
	Other financial assets - amortised cost	Other financial liabilities - amortised cost	Total carrying amount	Level 1	Level 2	Level 3	Total
Financial assets measured at amortised cost							
Cash and cash equivalents*	0.66	-	0.66	-	-	-	-
Total	0.66	-	0.66	-	-	-	-
Financial liabilities measured at amortised cost							
Trade payables*	-	1.25	1.25	-	-	-	-
Total	-	1.25	1.25	-	-	-	-

Pearl Global Kaushal Vikas Limited

Notes to the financial statements for the year ended March 31, 2023

(Amount in ₹ 'Lakh' unless otherwise stated)

As at March 31, 2022: Particulars	Carrying amount			Fair value			
	Other financial assets - amortised cost	Other financial liabilities - amortised cost	Total carrying amount	Level 1	Level 2	Level 3	Total
Financial assets measured at amortised cost							
Cash and cash equivalents*	0.10	-	0.10	-	-	-	-
Total	0.10	-	0.10	-	-	-	-
Financial liabilities measured at amortised cost							
Trade payables*	-	0.42	0.42	-	-	-	-
Total	-	0.42	0.42	-	-	-	-

The Company has an established control framework with respect to the measurement of fair values. The finance and accounts team that has overall responsibility for overseeing all significant fair value measurements and reports directly to the board of directors. The team regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified. Significant valuation issues are reported to the Company's board of directors.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

There have been no transfers in either direction for the year ended 31 March 2023 and 31 March 2022.

Measurement of fair values

Valuation techniques and significant unobservable inputs.

* Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade payables and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

For other financial liabilities/ assets that are measured at fair value, the carrying amounts are equal to the fair values.

Note 13: Financial risk management objectives and policies

The Company's principal financial liabilities comprises of trade payables. The main purpose of these financial liabilities is to support its operations.

The Company's principal financial assets comprises of cash and cash equivalents.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's senior level management oversees the management of these risks and is supported by Treasury department that advises on the appropriate financial risk governance framework.

A. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk.

The sensitivity analyses in the following sections relate to the position as at March 31, 2023 and March 31, 2022.

i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company has no long-term borrowings with variable rates as at March 31, 2023, which expose the Company to interest rate risk.

ii) Foreign currency risk

Foreign currency risk is the risk that arises when the fair value of future cash flows of an exposure fluctuate because of the changes in exchange rates. Foreign currency risk sensitivity is the impact on the Company's profit before tax, due to changes in the fair value of monetary assets and liabilities on unhedged exposures.

Company is not exposed to foreign currency sensitivity because Company does not have any outstanding foreign currency exposure as on March 31, 2023 and March 31, 2022.

B. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is not exposed to credit risk from its operating activities and from its financing activities

C. Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company's objective is to, maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including loans from banks at an optimised cost.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

As at March 31, 2023	Less than 3 months	3 to 12 months	1 to 5 years	> 5 years	Total
Trade payables	1.25	-	-	-	1.25
Total	1.25	-	-	-	1.25

As at March 31, 2022	Less than 3 months	3 to 12 months	1 to 5 years	> 5 years	Total
Trade payables	0.42	-	-	-	0.42
Total	0.42	-	-	-	0.42
